

# Israelis say No occupation, No invasion

## Petition to be published in Israel

*The petition below was initiated by Yitzhak Laor, a distinguished writer. It will be published as an advertisement in the Israeli daily newspaper Ha'aretz on Monday signed by hundreds of Israelis, Jewish and Arab. While only Israelis can sign it, people in Britain and in other countries can endorse it, and help donate towards the costs of its publication.*

### Enough!

Israel is committing extensive war crimes. A country is in ruins, whole communities are being uprooted, thousands of families destroyed, hundreds of civilians killed, and thousands of civilians injured. No excuse can whitewash these crimes. The abduction of two soldiers, the killings in centres of dense population in the north of Israel, cannot cover the barbarity practised by Israel in Lebanon and at the same time in Gaza. Those crimes must be stopped. Right now!

די!  
ישראל מבצעת פשעי מלחמה נרחבים. ארץ נהרסת, חצי מיליון פליטים, יישובים שלמים נעקרים, רבבות משפחות חרבות, אזרחים הרוגים במאות, אלפי אזרחים פצועים. שום תירוץ לא ינקה את הפשעים הללו. חטיפת החיילים, הסבל, ההרג וההרס במרכזי האוכלוסין בצפון הארץ אינם יכולים לכסות על המעשים הברבריים שישראל מבצעת בלבנון (ובחסות המלחמה הזאת ממשיכה את הטבח בעזה). צריך להפסיק את הפשעים הללו, מיד!

*We wholeheartedly endorse this petition and support its publication.*
